

2017 AMTA Reunion, San Antonio, Texas

SEPTEMBER 27, 28, 29th, 2017

The 2017 AMTA REUNION WILL BE AT THE COURTYARD BY MARRIOTT at SEAWORLD, WESTOVER HILLS in SAN ANTONIO. This will be our 12th reunion in 14 years. We have some decent prices on the individual rooms (\$89.00 + \$14.91 tax = \$103.91 per night), and the Friday evening banquet meal. As soon as the contract is finalized we will add prices and dates to this webpage. The dates for the reunion are September 27th through September 29th, 2017 with the AMTA banquet being September 29th. Many will have breakfast together Saturday morning the 30th. These dates coincide with the FTVA reunion.

We will be joining the FTVA golf tournament again as Dennis Buxton does a fantastic job organizing the tournament. Start thinking about getting your team together now.

Keep checking back from time to time as updates will be posted as they become available.

If you need to add something about the reunion to this page send an email with your input to Johnnie Estes (jte_a@amtassociation.org) and they will be posted as required on this page.
