

2009 AMTA Reunion, San Antonio, Texas

Thanks to Noe C. Guerra, Mike McLaughlin and Bob White the 2009 Reunion is starting to take shape. They have a contract with one of the nicest hotels in San Antonio and have gotten it for an exceptional price. One thing we need to remember, the AMTA must rent a minimum of 90 room nights to avoid paying more for banquet rooms, hospitality rooms and meeting rooms and also paying the price for the additional rooms to equal the required 90 room rentals. This is over a period of three days. Reservations for the AMTA rate will be available three days before the reunion and three days after the reunion. The person Mike and Noe C have been working with has been outstanding and she is definitely pro-military. You can call today to make your reservation and you may want to do that to avoid the rush.
